The Guay Family - Your missionaries in Thailand

July 26, 2012

Dear Friends,

We feel so blessed that God has allowed us to serve Him in Thailand. It is a joy to watch God working in the hearts of the people here. A teenage boy who was saved several months ago has changed so much that his parents came to ask us what happened to him. They said that he seems like a completely different kid. When he first came to our church, we wondered if it would be possible to reach him. With God all things are truly possible! It has been such a blessing to watch God change him! He is so eager to share the Gospel with others, and he is witnessing to friends and family too.

A few weeks ago a man who was saved a little over a year ago shared his testimony with our English class students. He did a great job of helping them understand that God is the Creator! Then, a teenage girl has been bringing a friend to church and witnessing to her. Several of the teens also help us hand out tracts each week! We started this church six years ago this month, and we are so thankful to finally see the church members really trying to reach others for Christ!

Thank you for praying about our visa situation. We had to go to Laos to get new visas in June. We were only able to get a 90 day tourist visa. Now the organization that we usually get our visas through should be able to obtain our missionary work permit and 1 year visas. However, they don't think that the paperwork will be processed before our current visas expire. That means that we will have to go to Laos again and get another tourist visa. Then when the paperwork is finalized, we will have to go to Laos again to get our visa types changed. Please pray that the paperwork will be processed quickly, so that we can avoid one of the trips to Laos. Also, we pray that the organization will be able to resolve its problems and be able to continue helping missionaries get visas and missionary work permits.

We have a special family announcement. Our son, Matthew, will be getting married this December to Raht Saelum. We are looking forward to welcoming our first daughter-in-law to the family!
