

Karen Christmas Program

Christmas Program at a School

# The Guay Family - Your missionaries in Thailand

January 15, 2015

Dear Friends,

Each year Christmas provides us with many opportunities to share the Gospel with others. This year was no exception. We held Christmas programs in four public schools. We had over 80 people attend our Thai Christmas program at our church. In addition to this, we had our first Karen Christmas program. It was a great success! We had over 130 Karen people from Burma come. They were the family members of some of the children who regularly attend our church. A Burmese pastor came and preached in Burmese and his wife translated to Karen. Please pray for us to find more ways to help the Karen people know Jesus. Most of the children are fluent in Thai, but most of the adults are very limited in Thai. Please also continue to pray for our ministry with Thai people!

This year makes six years since we've taken a furlough. We would love to be able to visit with you and share about our work here, but we feel that we just can't leave our work here for an extended period right now. However Richard's father is 93, and we feel that he really needs to visit his parents. We hope to be able to take a six month furlough in another year or so. In the meantime, Richard and Elijah are going to take a trip from March to May to visit his parents and attend our daughter's college graduation. He will also be visiting some of our supporting churches in the Knoxville, Tennessee and Dallas, Texas areas. Please pray for their trip and for Kristi, Elisabeth, and Micah as they stay behind. Kristi and Elisabeth will be able to continue the children's ministries and the van route, and a man in our church and other preachers will be able to fill in for Richard. Please also pray for us to find people to fill in next year so that we can take a furlough.

Thank you for all you do to enable us to serve the Lord here! We want to thank each of you who sent Christmas cards, gifts, and special offerings too. God bless you!

Yours for Thailand,
