

Mother's Day Banquet

Teaching in Thai

The Guay Family - Your missionaries in Thailand

August 13, 2015

Dear Friends,

Next month will make 15 years since we came to Thailand! Those years have been full of not only excitement, accomplishments, and joy; but also difficulties, disappointments, and sorrows. Yet two things have remained constant, God's faithfulness to care for us and your faithfulness to pray for and provide for our ministry. Nothing we have accomplished could have been done without God and all of you who are part of our team! Your prayers, financial support, and encouragement have been used of God to see souls saved, to provide a church where people are growing in the Lord, and to enable our family to serve here in Thailand. We are thankful for all of you who have been part of our ministry.

We have had Sunday services at a school for 2 years now. We are thankful for this opportunity to share the Gospel with the students. Four teens got saved a few weeks ago. Please pray that more students will start attending.

Our children's ministry seems to be ever growing! Though we are grateful that the church is full of kids, we have been praying for ways to reach more adults. We just had a Thai Mother's Day Banquet, and we invited the mothers of all of our church kids. We were so excited to have 25 moms come! Kristi taught a Bible lesson in Thai for the Thai moms, while Elisabeth translated to English for 1 Filipino mom. A Karen Burmese pastor's wife taught in Karen for the Karen moms. Please pray that the seeds planted that night will grow and bear fruit!

We never imagined that we would have such an international ministry, but we have been blessed to have Thai, Karen, and Filipinos come for services each week! Please pray for us to be able to learn Karen or for a Karen speaker to help us reach more Karen people. Please also pray for God to open the hearts of more adults in our community, and for us to be able to share the Gospel with more people.

Teaching in Karen

Yours for Thailand,

Richard and Kristi Guay
