The Guay Family - Your missionaries in Thailand

October 30, 2015

Dear Friends,

After many years of ministry in public schools, we are beginning to bear fruit. In September we were given permission for 4 of the students at the public school where we have Sunday services to get baptized. Once again we were allowed to have the baptism at the pool of a school for disabled children. We are thankful for the open doors God has given us to minister in schools and for the souls saved!

We had a children's camp at our church last week. In addition to our regular church kids, several of our students from one of the schools we teach at came. Also one of the teachers sent her kids! A pastor from a nearby city came and preached for us. The camp was a lot of fun and the preaching was inspiring!

Several of our Thai adults have started helping us to hand out tracts on Saturdays. We are excited to see them trying to reach the lost. Please pray that they will see fruit from their labors.

Please pray for us as we prepare for Christmas. It is always a great time of outreach in schools and in our community. Please pray that we would see people saved. Thank you for being a part of our ministry. May God richly bless you!
