## The Guay Family - Your missionaries in Thailand

May 9, 2016

Dear Friends,

The best part of being missionaries is watching God change lives! After a trip to visit family and friends in the Philippines, a young man told us that his friends asked him why he is so different now. He told them that he had gotten saved! He said he was so excited to tell them what God had done for him. He and his sister both came to Thailand to teach in schools, but God had more important life changing plans for their time here! They were both saved, and then were baptized on Easter. Tonight we had four new Filipino teachers come to church. Please pray for God to use this time in their lives to draw them to Him as well.

Two Karen children were baptized also. One was given permission by her father, but when her mother saw the pictures, she was angry. She told her that she cannot come back to church. She and her brother have been coming to church for two years. Though they are just 9 and 13, they have a strong faith in God. Please pray that their mother will allow them to come back and for the whole family to be saved.

Our daughter, Marah, and Chaut Wanchai were married on April 22<sup>nd</sup>. They will be living in Chiang Rai. Please pray for Marah as she begins a new teaching job there.

Our son, Joshua was able to come from America for the wedding. He hadn't been here in over two years. It was a joy to get to spend time with him. The hardest part of being missionaries is all the "goodbyes".

Please help us pray for our son-in-law's aunt who has stage 4 cancer. We went to visit her and her husband last week in hopes of encouraging them. We were truly the ones who were encouraged! We were inspired by their great faith in God. We are so thankful for the missionaries who many years ago led them to the Lord. Please pray that we will see the same results in our ministry.

Thank you for your faithful prayers and support that enable us to serve the Lord here in Thailand. May God richly bless you!

Yours for Thailand,

*Richard and Kristi Deay*
