

Witnessing to Prisoners

Thai Mother's Day

## The Guay Family - Your missionaries in Thailand

Dear Friends,

October 13, 2018

God blessed us with a beautiful grandson, Kayden, on September 18th. Since Elisabeth's husband is Thai and she has lived most of her life in Thailand, it was necessary for her to deliver the baby in America for him to have American citizenship. Kristi was able to be there to help out at the time of his birth. Now, Kristi is back in Thailand, but Naut, Elisabeth, and Kayden must remain in America until the end of November in order to do all the paperwork for the baby's Thai citizenship. Please pray for them.

God opened a new door for ministry. Richard was asked to teach prisoners who are part of a special reform program being done on the army base. In exchange for teaching them English for free, he is allowed to teach them the Bible! He has around 150 men studying with him each week. Please pray for them to understand the Gospel and be saved.

Kristi's English class at the hospital for dentist was very successful. Everyone seemed to enjoy the class, and she was able to get to know them and to share some about Jesus. Please pray that these English in the Workplace classes will give us more opportunity to build relationships and be able to share the Gospel with more people.

Our son, Elijah, spent his summer break with us helping in the ministry. He was such a great help! He built sets for us to use for our Christmas play, he taught English and Bible at the schools, and helped with office work.

We celebrated Thai Mother's Day in August. We are thankful for these ladies and how they are growing in the Lord. Although the church has had problems this year and we lost some members, we have seen this group of ladies begin coming more faithfully and start helping out more at the church. They have encouraged us!

Please pray for us to have wisdom in reaching more people for Jesus. Also pray as we prepare for the various Christmas outreaches we will be doing. It is always a great time to share the Good News in many places. We are grateful for all you do to enable us to minister to the people of Thailand. God bless you!

Yours for Thailand,
