

Christmas Program at Mai Ngam School

Church Christmas program

# The Guay Family - Your missionaries in Thailand

January 4, 2010

Dear Friends,

We hope each of you had a wonderful Christmas!

Christmas always gives us a great opportunity to tell others about Jesus. This year we had Christmas programs at our Church, a public school, and also at the prison.

Around 120 people came to the church for the Christmas program. One lady came to watch her child in the play, and then came back for the Sunday morning service the next day. Her daughter was so excited to have her mother come to church!

The Christmas program at the school went great. The students and the teachers were very attentive to both the play and the message! It is always such a pleasure to present the Gospel in the schools!

We had hoped to do a Christmas program for the whole prison, but we were only given permission to do it for a group of 56 men. We also weren't allowed to take in women and children, so we had to change the play! Richard, Matthew, and Joshua did a smaller version of the play by themselves. It worked out great. Many of the men seemed to be under conviction. At the end of the program, one of the prisoners read a letter that he had written to us. In it he thanked us for coming each week to teach them about God. He said that other people treat them as though they are just evil people, but that we treat

them as friends and show them love. He was almost in tears as he read it, and so were we! We thank God that we can be here to show His love to them!

We want you to be able to see more of our ministry than we can share in these short letters. We just recently made a new video about our ministry that you can watch. You can view it at <http://vimeo.com/18429965>. If you are unable to view it, please let us know, and we will make sure to get a copy to you. I will have it on our website soon as well.

Thank you for making it possible for us to serve here! We appreciate all that you do for us. Also, we want to thank each of you that sent us cards, gifts, and emails. May God bless each of you with a wonderful new year!
