

The Quay Family - Your missionaries in Thailand

Dear Friends,

April 30, 2020

We are thankful that God has been caring for us during these unusual times. We were definitely surprised that a pandemic would disrupt the whole world, but we are comforted to know that nothing takes God by surprise. He is always faithful to care for us. Thank you for your prayers for us and for Thailand.

Thailand has been on lockdown for six weeks already, and it has been extended for another month. We have been having our church services on Facebook Live and doing small group classes through Messenger. We have been encouraged by how faithful the church members have been at joining in with each service. We have even had some new people join us, even a lady in Sweden. We long to go back to having normal church services, but we are thankful that technology has given us another avenue to to worship God and study the Bible together. There has only been one person with Coronavirus in our town, and she actually caught it in New York.

Before we had to stop having services at the church, we had a baptism for five people. Three were Filipinos, one was Burmese, and one was Thai. We did the service in three languages! We also had one more person get saved. We are thankful that the church is growing.

Kristi's mother passed away in March. Kristi was able to spend two weeks with her shortly before her death. She was unable to return for the funeral, because of the travel restrictions due to Coronavirus, but we were able to watch it on live stream. We love serving the Lord in Thailand, but it is difficult to be far from our family at times like this. Thank you for keeping us in your prayers!

Our new church building is under construction! We are excited about the church owning its own building. Thank you to those who sent money to help with this project and all who are praying for it.

The New Church Building

May the Lord bless and keep each of you safe.
