The Guay Family - Your missionaries in Thailand

Dear Friends,

January 5, 2021

We are so sorry for the delay in sending out this letter. We have been amazingly busy the last four months.

For many years Larry and Judy Connor at Bread of Life Baptist Press have printed and mailed our prayer letters for us. They also print tracts and Gen./John/Roman for us. They have been such a blessing helping us. Mrs. Judy passed away from COVID at the end of October. We are so sad to lose this dear friend who loved serving the Lord. Please pray for Bro. Larry Connor.

We moved into our new house at the end of October and moved into the new church a month later. It was sad to say goodbye to the church and home that we had made so many memories over the past fourteen years, but it is such a blessing to be in the new location. The oldest lady at our church cried after the first service here and said that she never imagined God would bless us with such a nice church. One child has already been saved since we moved! We are truly thankful for God blessing us!

As soon as the move was complete, we jumped into preparing for Christmas. Even though we had to scale back some this year because of COVID, we still had a good crowd at our Christmas service at church and we had Christmas programs in three schools. During this year when so many feel hopeless, we were thankful to be able to share about the little baby born so long ago who came to give us hope!

Though COVID has been much less here in Thailand, the number of new cases has been growing again, and as of this week we have been locked down again. It will hopefully only be until the end of January. Please pray for us to find creative ways to share the Gospel with the lost and teach and encourage our church members during this time. We will need to go back to online services beginning this week. Please pray for for those suffering with COVID and those suffering from the effects of the lockdown.

In September, we completed 20 years serving in Thailand. Thank you for your prayers and support, which make it possible for us to serve the Lord here. We are praying for you too. May God bless you and keep you safe during this new year.

Yours for Thailand,
