

Blessed to have Micah home for Father's Day!

Teaching Bible at a school

# The Guay Family - Your missionaries in Thailand

Dear Friends,

July 16, 2021

As we live in a world full of change and surprises, we rejoice in knowing we have a God who never changes and is never taken by surprise. The past year of living through a pandemic and the changes it has brought has certainly taken us by surprise, but we are thankful to know that God is in control and can work all things together for good.

There have been over 9,000 new cases of Covid daily in Thailand lately and 3,099 deaths. Like everywhere else it has taken a toll on the economy as well. Please pray for Thailand about this.

Kristi was asked to teach English at a new school this year. They are allowing her to teach Bible lessons in exchange for the free English class like the other schools where we teach. It is a school that several of our church kids attend. Many of the students are Burmese Karen children. We are excited about this new opportunity to share the Gospel with these students! That makes four schools that we are teaching in. However, the school where we do church services for the students on Sundays has not been able to have us come because of Covid restrictions. The other schools reopened for three weeks, but two of them have gone back to online school again due to the growing number of cases.

We have been able to continue having church services with masks and social distancing. Most of the members are still coming, but we have online options for those who are at higher risk. We are so thankful that the church is allowed to remain open, even though many things are closed.

One of the Filipino teachers who has been coming to church was saved recently! Please help us to pray for him to grow. Also, please pray for more people to be saved! Please pray for us to have wisdom in how to more effectively share the Gospel during this time. Handing out tracts door to door isn't a good option, since people are a bit frightened of catching Covid. Pray for God to lead and direct us.

Thank you for praying for our sons. Micah was able to get a visa and come visit us during his summer break. It was a difficult process to get to come and required him to quarantine alone for two weeks, but it has been so wonderful having him back home with us! Elijah got a good job in Las Vegas, Nevada. God has blessed him with a good church there too! Thank you for your prayers and support. May God bless you abundantly!

Yours for Thailand,
