The Guay Family - Your missionaries in Thailand

Dear Friends,

January 8, 2021

As we begin this new year, we want to thank each of you who prayed for us and the ministry here in Thailand. We are so blessed to have each of you praying for us!

Here like everywhere, this past year was filled with much sorrow and frustrations due to Covid. But God is faithful, and He gave us much to rejoice over as well!

Brianna Marisa

We want to start with family news. Our family gained two new members, a daughter-in-law and a granddaughter. Our son, Joshua, married Laura Mister in March. Due to Covid, they had a private ceremony at their church, and they plan to have big wedding when we can be there this May. And our daughter, Marah, had her second child in November. Her name is Brianna Marisa. We are sure enjoying all three

grandchildren!

The church has continued to have a fairly good attendance in spite of Covid. We continue to live stream for those who can't come, but we are thankful that most members have come back faithfully. They also have eagerly joined in to help prepare bags of food and tracts to hand out to Covid patients and hospital staff. They even asked to give a special offering to help buy the food!

All the dads went out to eat together to celebrate Thai Father's Day in December, and we had a good crowd at church to celebrate Christmas. We also were able to have Christmas programs at three schools. Everything

had to be scaled back because of Covid restrictions, but we are thankful that we were able to still celebrate together. Even a couple of our church kids who have gone away to college were able to come back to visit!

Please pray for us to be able to reach more people for Jesus. The last two years have seemed especially hard with all the Covid restrictions, but truly the biggest obstacle is Satan causing people to not be interested. We had another reminder of that this week.

A man in his forties died from drinking too much alcohol. This man came to our church several years ago and seemed at first to really want to know Jesus. But sadly, he quickly rejected Him. Please pray for God to open hearts. Please pray for us to have wisdom in witnessing to the lost.

We plan to come to America in May for our son's wedding. We would really like to do a six month furlough at that time. We are hoping to have another couple take over for us here while we are away. We have a couple of possibilities. Please pray that one of them will be able to come and fill in for us. If they can't, then we will just come for a short trip for the wedding.

Hopefully we will get to visit many of you!

Again thank you for your faithfulness to pray for us and support our ministry here. God bless you!
