

Teen Sunday School Class

Celebrating the last day of school!

The Guay Family - Your missionaries in Thailand

Dear Friends,

April 8, 2022

We both have Covid, but, thankfully we haven't been extremely sick. It has caused more asthma attacks for Richard, but it hasn't been serious. We expect to be better in a couple of days and will be able to get out of quarantine next week just in time to prepare for our trip to America. Please pray for us about this.

We were not able to find someone to take over for us to do a six month furlough, so we will just be in America for four weeks. We are thankful that several preachers will be able to rotate coming on Sundays to help here and also that our son-in-law, Naut, will be here to care for the church. We will be flying to America on April 20th. We are mainly going for our son's wedding, but we will be able to be in supporting churches in Texas, Tennessee, and Virginia while we are there. We are sorry that it is impossible to visit all of you during this trip, but we hope to be able to come for a short time again next year to visit more of you. Please pray for our trip and for those working in our church here during our absence.

Since our last letter, we were able to resume English/Bible classes at three schools. However Covid caused two of them to close again before the semester ended. God really blessed in the one school that stayed opened. Three of the students came to church several times and seem interested in coming again. Please continue to pray for the students and teachers to be saved.

Several people have visited the church recently. One couple had never been to a church, but they are very curious about Christianity. Please pray for them to understand and be saved. Sadly we had to go back to online services only again due to us having Covid. We hope to reopen for Easter Sunday. Please pray that we recover before then and the church members stay healthy.

Thank you for your continual prayers and support. God bless you!

Yours for Thailand,
