The Guay Family - Your missionaries in Thailand

Dear Friends,

September 23, 2022

For many years our church here in Thailand had mostly children. We prayed for adults to get saved and grow and serve. Gradually that has happened. We are so thankful that many of the adult church members have begun helping more in the ministry. Several of the ladies are taking turns teaching the preschool Sunday school class. A small group is joining together to hand out tracts each week. It's a blessing to see them growing and desiring to serve God. One of the men said that God has really blessed his business with more customers ever since he started taking time to help hand out tracts. They are also learning to bear each other's burdens. They are praying for each other and looking for ways to help each other.

After all those years of tons of children and few adults, now please pray for more children to come. We have only had a few children coming since the beginning of the pandemic. Please pray for children to come and be saved.

Our school ministries continue to be a blessing. We are able to share a Bible lesson with about 130 students each week. Please pray for the students and staff to be saved.

In August, we had a special service for Thai Mother's Day. We had a great turnout. Pray for these moms to be able to reach their families with the Gospel.

We are about to begin preparing for Christmas outreaches. We will have programs in four schools and at church. Please pray for God to open hearts to trust in Him in each place.

Handing Out Tracts

Thank you for praying for Richard. He has been eating on a strict diet to reduce inflammation. It seems to be working. He is feeling much better.

Thank you for your help, support, and encouragement. You make it possible for us to serve here, and we truly appreciate each of you.

Yours for Thailand,
