

Father's Day

Light Baptist Church

The Guay Family - Your missionaries in Thailand

Dear Friends,

January 5, 2024

We hope you each had a wonderful Christmas. We appreciate all the ways you helped and encouraged us last year through prayers, financial support, Christmas offerings, cards, and emails. We are grateful for your continued help in the ministry here in Thailand.

Our December was very busy and productive. We began with a Father's Day celebration at the beginning of the month. Then we had Christmas themed English classes throughout the month. We had Christmas programs in six schools and a Christmas program at the church with a little more than 100 people in attendance. Then we had a special candlelight service for Christmas Eve. We were able to do the Christmas programs in two new schools this year. The church members did a great job performing in a Christmas play for the students. We are so thankful for all the hard work the church members put into making the Christmas programs a success. We handed out books about the true meaning of Christmas, tracts, and an invitation to church to all the students and staff. We are thankful that God has given us such an open door to minister in public schools! Please pray for us to see more fruit!

We have been seeing some fruit from the youth camp we had in October. One of the teen girls has really started helping out at church. She is encouraging the other teens to come more faithfully, and she has been helping in our church service at a school. She said that camp helped her to get excited about serving God! Also, a couple of the girls that are Kristi's students at one school came to camp and now have started coming to church often.

We have had a new opportunity recently. Homeschooling is a new trend here. Since we homeschooled our children, these young homeschool families have been contacting us. One family has started coming to our church. We began a homeschool playgroup that focuses on

improving their English skills. Please pray that we can help these families come to know Jesus!

On January 14th, our church will have a booth at a celebration for Children's Day. We will play games with the kids and hand out bags with a John/Romans, a Children's book about the Bible, Gospel tract, and snacks. Please pray for us and our church members to have an opportunity to witness to many people that day. Please also pray that we will see many people saved this year! May God bless each of you!

Yours for Thailand,
