Children's Day

## The Guay Family - Your missionaries in Thailand

Dear Friends,

January 17, 2025

We hope you had a wonderful Christmas! The Lord blessed us so much as we shared His good news during December, and He is already showering us with many blessings this new year!

We began December celebrating Thai Father's Day. Please pray for one dad who is asking questions, but hasn't trusted in the Lord yet, another dad who has been out of church a lot this year, and another dad who had a stroke this week. May the Lord raise up dads here who have the courage and strength to lead their families in following Jesus!

We spent the rest of December presenting Christmas programs in five schools and at church. A group of church members did a great job helping us share about the first Christmas when God sent His Son to save us! We had almost a hundred people at church for the Christmas service!

Last week we celebrated Children's Day at a local market. We had games and prizes for the kids. We handed out goodie bags that included invitations to church, tracts, and a kid's book about Jesus. Please pray for these kids and their families to come to know the Lord.

The first Sunday of the new year, we had a young man visit for the first time. He came back for the midweek service with lots of questions, and he got saved this past Sunday!

God has also been helping us with our various health problems. Thank you so much praying for us. We have both improved so much, but we also have caught a couple of viruses lately. Please continue to pray for health and strength.

Also, we have some exciting family news. Our son Micah got engaged and our daughter, Elisabeth and her husband are expecting their second baby in February! Praise the Lord for His blessings!

Thank you for your prayers and support. May Gods bless each of you.

Yours for Thailand,
